

Study Title

- Purpose of the research (e.g., The purpose of this research is to...)
- State major research procedures and length of time study will take to complete (e.g., You will be asked to complete a questionnaire that will take about 10 minutes).
- Briefly list major inclusion/exclusion criteria (e.g., Eligibility criteria: female, college student, athlete)
- Describe benefits of participation in the study, if applicable (e.g., “Participants will receive a training session at no cost.”). If compensation, do not emphasize it (e.g., “Participants will receive \$10 for completing each survey.”) **DO NOT** underline, bold or use a large font for the statement regarding compensation. **DO NOT** use exclamation points.
- List location of the research (e.g., This research study will be conducted in Hickory Hall, Room 105.)
- Contact information (e.g., “For more information, contact Rebecca Feinberg at 413-748-3818)
- If the research is student directed then list name and department of the principal investigator (e.g., “This research is conducted under the direction of (name, department).”)
